Mrs. Clinton E. Bromley.

Mrs. Mabel T. Wells Bromley, wife
of Rev. Clinton E. Bromley, pastor of
the Federated churches of Atkinson,
Me., passed away at her home Oct.
18 at 1:35 a. m. She was born at
West Lube, Me., Aug. 15, 1879, the
daughter of Benjamin A. and Ella
Whalen Wells. At the age of 14 she
went to live with her uncle and aunt,
Mr. and Mrs. Freeman R. Treedy, of
South Lube. She was a graduate of
the Lube High school and of the
Maine State Normal school at Farm-
ington, Me., and was a teacher in the
public schools at Lube, Me., for sev-
eral years.

She was married to Rev. Clinton E.
Bromley Sept. 25, 1907, then pastor of
the Methodist Episcopal church at
Harrison, Me., and has since par-
tially shared the joys and sorrows of
her husband's pastorate, which
have been in Franklin, Sullivan, Mont-
icue, Edgemoor and Atkinson, all in
the state of Maine. Three children
have been born of this union, Win-
ifred Evelyn, born Nov. 22, 1908, Elea-
nor Louise, born June 27, 1910, and

Mrs. Bromley had been in poor
health since three years ago last sum-
mer, since which time she has been
obliged to abstain from hard work.

she began to decline. She took to her
room about a week before her death and
the end came on Monday, Oct. 21, at
1:35 a. m.

Mrs. Martha Coffey, the aunt in

will be in the cemetery at Atkinson,
Me., on Wednesday, Oct. 23, at 10
a. m. The Rev. Mr. Bromley will con-
duct the services.

Mrs. Bromley was a cultured and
talented Christian woman, much de-
sired, for her home and children and
in fullest sympathy with her husband's
vocation. She was anxious to live to
bring up her little ones but as her
dear husband became ill, she was ob-
liged to be fully resigned to the will of
her Lord. Those who knew her best
loved her most and her untimely death
will be mourned by many.

Her husband is a former Norwich
boy, at one time well known here.

million cars in the last year. Auto-
mobile owners paid for license tags
last year \$450,000. The average
license tag cost \$7.50. The distribu-
tion of cars in New England is as

Helping Hands Start Season.

Hands Auxiliary to the Spiritual Union
was held at the home of the presi-

evening with a large number in at-
tendance. The report of the last

NEW RIFLE ORDER FOR MARKING-GUNNELL

German bargaining for the most ad-
vantageous peace terms is apparently
to make no immediate effect in slow-
ing down the plan of the
Marling-Rockwell corporation for the
war department has just announced
that the ordinance department has
placed two new large contracts with
the Marling-Rockwell firm.

One is for 73,000 light Browning
rifles and the other for 15,000 aviation
guns.

Official of the company here to
whom this information was given on
Tuesday night said that he had not
known of the placing of the order, but
he believed this one for the light
Browning rifles was one that they had
been fighting on for some time. It is
the light Browning rifle that the Nor-
wich plant is working on and it has
been planned to largely increase the
capacity of the extensive factory on
Franklin and Chesapeake streets.

The contract for 140,000 rifles for the
Belgian government, on which the
company has been working, is now
very nearly finished, and when this
has been gotten out of the way, the
attention that has ever been given to
the production of Browning rifles, de-
liveries of rifles on the Belgian order
make it within the bounds of possi-
bility that some of the troops of the
Belgian army that has been doing
such fine work in clearing the Ger-
man invaders from the soil of their
homeland have been using Norwich-
made rifles to redeem Belgium from
Hun Kultur.
